## **PHILOSOPHY OF ACTIVITY & ATHLETIC PROGRAMS**

**This handbook was created to assist our coaches, sponsors, participants, and parents associated with Montezuma-Cortez High School by outlining necessary philosophy, procedures, standards and requirements for all activities.**

The goal of every program should be:

1. To instill in each participant, attitudes of good sportsmanship, good citizenship, fair play, self-control, self-discipline, and goal setting.
2. To exert a positive influence on our community, fans, and our student body.
3. To communicate the ideal that hard work and determination lead to success.
4. To appreciate the fact that participation in extracurricular activities represents a responsibility to both our school and community.

### **STATEMENT OF CODE OF ETHICS**

In order to offer maximum effectiveness in serving and fostering the education of our students so entrusted to us and in promoting and supplementing the regular curriculum, it is the duty of all concerned with our secondary activity and athletic programs to:

1. Cultivate awareness that participation in athletics and activities is part of the total educational process and as such, the coach/sponsor should neither seek nor expect academic privileges for the participants.
2. Emphasize the proper ideals of sportsmanship, ethical conduct and fair play as they relate to the lifetime impact on the participants.
3. Develop a working awareness and understanding of all rules and guidelines governing competition, both in letter and intent.
4. Recognize that the purpose of athletics and activities is to promote the physical, mental, moral, social, and emotional well-being of the individual participants.
5. Avoid any practice or technique, which would endanger the present or future welfare or safety of any participant.
6. Adhere to policies which do not force or encourage students to specialize or restrict them from participation in a variety of activities.
7. Refuse to disparage an opponent, an official, an administrator, or any spectator in any aspect of the activity.
8. Strongly encourage the development of proper health habits, including the non-use of vape pens, chemicals, alcohol, tobacco, and other mood altering substances.
9. Exemplify proper self-control at all times and accepting adverse decisions without a public display of dissatisfaction with the officials or judges.
10. Encourage all to judge the true success of the athletic and activities programs on the basis of the attitude of the participants and spectators, rather than on the basis of a win or loss.

## PARTICIPATION GUIDELINES

These guidelines begin for everyone from the first day of practice for activities in the fall, and will continue in effect until the last day of competition in the spring. Exception: for students not involved in fall activities these guidelines will start the first day of school. These guidelines are designed for all participants, coaches and sponsors who will be involved with activities while being a part of the educational process at Montezuma-Cortez Middle School.

### GENERAL ACTIVITY PROCEDURES:

1. Activity/Athletic safety is a number one priority. Participants must be aware that other athletes' physical safety is extremely important and avoid any type of aggressive action, which could lead to injury to another participant. Participants are also responsible to avoid any activity which could lead to injury when not being supervised by an assigned faculty member or coach.
2. All students are encouraged to participate in as many different activities during each school year as possible. Students and their parents should determine their choice of activities.
3. Members of all activities are required to attend all scheduled practices and meetings during the established activity season. If circumstances arise whereby the student cannot attend a practice or meeting, the validity of the reason will be judged by the individual sponsor/coach. In all cases, however, the sponsor/coach must be notified, prior to the practice or meeting missed, by personal contact (student/parent), phone call (student/parent), or written statement from the parent or guardian.
4. Students in athletics will be issued team equipment (ie. uniforms, practice jerseys, warm-ups, etc.) during the season. Students are responsible for the care and maintenance of such equipment and are required to return them at the end of the season at the banquet or equipment collection day (if students quit or are removed from the team, they have one week to return equipment). Students will be held financially responsible for the replacement cost of any equipment that is not returned or is returned damaged from circumstances outside of school use. Students will be ineligible for any extra-curricular activities or athletics until the equipment is returned or the replacement cost is paid.
5. If an athlete is eliminated from one activity/sport, he/she is eligible to participate in another activity during that season at the discretion of the sponsor/coach. A student/athlete faced with this situation would be encouraged to go out for another activity unless eliminated because of disciplinary reasons or eligibility infractions.
6. A student may drop out of a sport by following the procedures listed below:
  - a. First, the student must make the reasons known to the coach.
  - b. Secondly, the student must make the reason known to the athletic director.
  - c. Thirdly, the athlete must return all equipment and clear all financial responsibility with the athletic office.
7. Participation/Training Rules: Though the schools are governed by district policy, school policy, a coach may set more stringent policies and rules.

**This contract is an annual contract between the student and M-CMS, which is effective from the first day of fall activity practices until the end of spring competitions.**
8. Any violation reported to the school administrators shall be investigated. The person reporting the incident must be willing to testify in person if requested. The school principal shall, after investigation, and within three (3) school days, notify the parents and the student of the disciplinary action. The notice shall advise the parents and the student of the conduct constituting a violation of district and school policy. Coaches are urged to confer with the principals prior to taking any disciplinary action.
9. The building Principal shall have the authority to make the final decision in all of the above matters.
10. Coaches and sponsors are required to review with the students/athletes these policies and rules at the beginning of each activity/sport season.

# ACTIVITIES & ATHLETICS ELIGIBILITY POLICY

## ACADEMIC ELIGIBILITY POLICY:

**Montezuma-Cortez Middle School will choose to check academic eligibility weekly.**

1. Beginning on the first Wednesday of each season, and **every Wednesday** subsequently, grades for each student involved in an activity or athletic program will be printed and given to each activity sponsor and/or coach. **These grades will serve as a warning to coaches** that students are failing 1 or more classes. It is the responsibility of the sponsor/coach to inform their students about each of their grades.
2. On the second Monday of each season and **every Monday** subsequently, the grades of each student involved in an activity or athletic program will again be printed, and given to each activity sponsor and/or coach. **If, on this grade report, a student has 1 or more F's, that student will be ineligible to participate in any school sponsored extracurricular activity or athletic event until grades are checked again on the following Monday. Students are still required to attend all mandatory practices and team events.** There will be no exceptions to this requirement, unless a valid human error or unforeseen circumstance takes place, which will be considered on a case by case basis.
3. If the F(s) is removed from the student's grade report by the following Wednesday grade report, that student will once again be eligible to participate; however, if said student still has an F on their report card, they will continue to be ineligible.
4. Attendance guidelines are still applicable for school and practice for ineligible students.

### **Notable change to previous policy:**

1. Warning week is no longer applicable. This is replaced by the coach's grade check on Wednesdays. Sponsors/coaches will provide students their grades on Wednesdays, and it will be the responsibility of the student to fix any F's on their report card, before the following Monday report.
2. The 2.0 G.P.A. policy is no longer applicable. Students with 1 F while maintaining a G.P.A. of 2.0 or greater are no longer eligible. Any grade of F is considered ineligible regardless of G.P.A.

## BEHAVIORAL ELIGIBILITY POLICY:

**Montezuma-Cortez Middle School will monitor behavioral eligibility daily.**

1. Students are expected to maintain behavioral standards as outlined in the student handbook at all times while participating in school activities or athletics. This includes, before, during and after practices or games while on school property, on the bus to and from practices or games, and at all times while on trips for school events or competitions.
2. **Students assigned to a half day (4 periods) or more of Out-of-Class Detention (OCD) during the season will be ineligible to participate in the next event or competition following the infraction.**
3. **Students who are assigned Out-of-School Suspension (OSS) during the season will miss the next 40% of the season** (total number of regular season games multiplied by 0.4) following the infraction. This includes post season play (ie. If there are 10 games in the season and the student is suspended with only two games left in the regular season, they will miss the last two games, and if the team qualifies for post-season play, they would not be eligible to play in the first two games).

## **ATTENDANCE GUIDELINES**

### **CLASSROOM ATTENDANCE**

**Co-curricular activity participation requires that the student attend classes daily in order to maintain eligibility. The following guidelines shall be enforced:**

1. Classroom attendance the day before or day of a performance or contest is required, except in the case of a valid excuse (e.g., doctor's appointments, funerals, etc). In this case, a valid/documented excuse must be communicated by parent/guardian to the coach/sponsor and the activities director. Students not in attendance the day before or day of a performance or contest, without a communicated excuse to the coach/sponsor and activities director will not be eligible to participate in that contest/performance.
2. Students are expected to attend classes the day before, the day of, and the day following an activity.

### **TRUANCY or DITCHES FROM CLASS**

**Attendance the day of an event is mandatory.**

**Truancy as used in this context is considered as an unexcused absence that is the result of the following:**

1. Student being more than 10 minutes late for class or missing any segment of that class for more than 10 minutes because of loitering in hallways.
2. Student does not check out in office and leaves school grounds without permission.
3. Student is considered truant from school if he/she does not have on record with the office of a phone call or written verification from a parent/ guardian that the absence was legitimate. The office must have verification within 24 hours of the absence.
4. One single class absence or one whole day constitutes a violation.

### **PRACTICE ATTENDANCE**

**Attendance at practice is mandatory**

1. Unless there is a satisfactory reason, all participants shall report for practice the day the first call is made for that activity for the regular season.
2. Attendance at practice the day before a performance or contest is required, except in the case of a valid excuse (e.g., doctor's appointment, funeral, etc) which must be provided to the coach or activities director prior to the missed practice.
3. The coach/sponsor of the activity may grant excuses from practice.
4. A student who is not in attendance for at least five periods during the school day may not practice without prior approval by the administration.

## TRANSPORTATION GUIDELINES

These Administrative Regulations and Guidelines apply to all students in school-sponsored activities/athletics. All participants are to use district provided transportation to and from the site of all away contests, **unless prior arrangements are made.**

1. Parents may pick their student up by signing them out with the coach/sponsor.
2. Any student wishing to ride home with someone else's parent must have prior written approval of an administrator, and be checked out by the coach or sponsor.
3. **Parents may only transport their own son or daughter and may not provide transportation for any other participants unless these arrangements are made in advance (24 hours before trip departure) with the Athletic Office. The approved form must be given to the coach/sponsor prior to the trip departure.**
4. Students utilizing district transportation will not be released until the bus/van reaches its final destination.
5. Mixed groups of males/females students shall be separated when traveling together. Example: males up front, females in the back or vice versa. Coaches or sponsors will set in between groups, to cause a definitive separation.
6. **Coaches or Sponsors are responsible for their group, not the bus driver.**

**Adverse Weather Conditions:** The decision to travel is up to the head of transportation, building principal/activities director or designee and the driver.

## PUBLICITY AND PHOTO RELEASE GUIDELINES

Montezuma-Cortez Middle School is making a concentrated effort to promote the positive activities, honors and work of our staff and students. This effort will include working with local newspapers, radio and television stations as well as features in our own publications (ie website, social media). These publications may appear on the School District website as well as other forums. During the school year, there will be opportunities for various students to be interviewed and/or photographed and identified by name and classroom or school. If you would prefer that your child's name and/or image are not used for these purposes, you may "opt out." Opt out forms are available in the main office at M-CMS. It is important to note, however, that your child's image or likeness may appear in occasional candid photos without any type of name identification, and the use of these candid photos of your child is permissible.

## STUDENT ELIGIBILITY INFORMATION FORM And CHSAA Anti-Hazing Policy

I hereby give my consent for \_\_\_\_\_  
to compete in athletics for **Montezuma-Cortez Middle School** in Colorado High School Activities Association Junior/Middle School approved sports, except as noted on the Physical Examination and Parent Permit Form, and I have read and understand the general guidelines for eligibility as outlined in the CHSAA Competitor’s Brochure (as found on the CHSAANow.com website).

I have read, understand and agree to the General Eligibility Guidelines as outlined in the CHSAA Competitor’s Brochure.

No student shall represent their school in interschool athletics until there is a statement on file with the superintendent or principal signed by his/her parent or legal guardian and a signed physical form certifying that he/she has passed an adequate physical examination within the past year, noting that in the opinion of the examining physician, physician's assistant, or nurse practitioner is physically fit to participate in high school athletics; that student has the consent of his/her parents or legal guardian to participate; and, the parent and participant have read, understand and agree to the CHSAA guidelines for eligibility.

### CHSAA Anti-Hazing Policy

The Colorado High School Activities Association prohibits bullying, hazing, intimidation or threats. Hazing includes, but is not limited to humiliation tactics, forced social isolation, verbal or emotional abuse, forced or excessive consumption of food or liquids, or any activity that requires a student to engage in illegal activity. I understand that hazing of any type is not permitted in any CHSAA sanctioned activity.

I will not engage in any of the prohibited conduct. I further understand that it is my responsibility to immediately report any acts of hazing that I become aware of to a sponsor, teacher, counselor, school support staff, coach or administrator in my school.

By signing this acknowledgement, I affirm my responsibility to prevent and report hazing. I also understand that any violation of this could result in school or team consequences that could include dismissal from the activity or further disciplinary consequences and/or referral to law enforcement.

**COVID-19**

- A current physical MUST be on file. CHSAA recommends this PPE form.
  - COVID-19 specific questions should be included in the physical screening to include:
    1. Have you tested positive for COVID-19?
    2. Have you had any known exposure to a COVID-19 positive individual?
    3. Have you been tested for COVID-19?
    4. Have you had any new onset of cough or shortness of breath?
    5. Have you experienced any recent temperature greater than 100.3°
  - The most recent medical evidence recommends consideration of cardiac testing if a student athlete has previously tested positive for COVID-19. This should be discussed with the team physician on a case-by-case basis.

I hereby state that, to the best of my knowledge, my answers to the questions on this form are complete and correct.
