

MCMS Knowledge Bowl

Dear Students and Parents:

Montezuma-Cortez Middle School's Knowledge Bowl provides a showcase for academic and everyday questions involving language arts, social studies, math, science, and current events. This year, we will be building our team up and preparing to participate against schools in our district and local region. **There is a team for 6th grade as well as a team for 7/8th grade.** Teams are made up of four students who all try to solve questions in both written and spoken answers.

Practices will be on Mondays until 5:00 in Mr. Childers' room (Room 35) in the 7A pod. If practice dates change, participants will be notified through our Knowledge Bowl Google classroom. Even if you are involved with extracurricular activities, you may still be apart of Knowledge Bowl at different times during the school year. **Students are expected to come to these practices in order to prepare for potential meets and our teams will be determined by attendance and performance.**

For any meets that take place outside of the middle school, a bus will take the students to the meet and bring them back to school. Parents/guardians are responsible for transportation home. If you would like to be part of this year's knowledge bowl team, please sign the permission slip below and return to Mr. Childers in room 35 in the 7A pod. Information about our practices and meets can be found on a Knowledge Bowl Google classroom. The code is: **1u89hk**

Mr. Childers
Knowledge Bowl Coach

Yes, I would like to be a member of the 2019-2020 Knowledge Bowl team. I will commit to attending practices and competitions as scheduled.
